

Your Wedding Your Way...

"All humans have an inalienable right and duty to practice their own peaceful religious traditions."
ULC

Dear Loving Couple,

For ages, wedding ceremonies were predetermined by the Church, or religious body, in which the couple had decided to be married within. As religious tolerance spreads, more and more couples these days are seeking to customize their weddings making the experience a much more personal, memorable, and spiritual occasion. As your personal wedding officiant, I promise to inspire and facilitate your **Ideal Wedding Scene** so it may include *your* spiritual beliefs, ideas and visions.

I will serve as your "pre-wedding jitters counselor" by meeting with you and your partner before the event in order to discuss and reveal your own personal values, and, your values and expectations as a married couple.

Together we will co-create your vows. How will you want to present them in front of your circle of family and friends? We may choose from: traditional vows, religious vows, or individually and carefully written vows that you would offer each other.

It is your day and I encourage you to experience this sacred union beyond your most heartfelt dreams.

As an Ordained Minister, and Spiritual Psychologist, I offer my heartfelt services as your honorable Wedding Officiant. Congratulations you are on your way!
